Howdy!

Get a head start on the Trail Trial season by attending our Clinic. We are planning some new challenges this year to make things a little more interesting! Plus tips on how you and your horse can practice to stay more focused on the job at hand. Our team of assistants and judges will be available to help you correctly navigate the obstacles. We will have approximately 10 judged obstacles.

Bring your favorite trail horse or one that is new to T.Trails and lead them through in hand.

It's all good exposure in a safe controlled environment.

A tasty lunch and a T.T Rule Booklet are included in the Entry Fee.

Visit California State Horsemen's Association website for Trail Trial information.
