Trail Trials is a C.S.H.A program, which tests the skills of the rider & horse over a course with obstacles natural to the region. Horse & rider are evaluated as they negotiate the obstacles with common sense & safety in mind. Trail Trials is not a timed event, and any horse, mule, or pony may be ridden with any style saddle and a bridle or hackamore. Come join the fun as you learn what the judges are looking for, which rules apply to an obstacle, new rules for 2008, and how the judges use the score sheets. Help you and your horse become a more competitive team.

**Rain or Shine!**

**Lunch Included !**

Bring your trail horse, a chair, a clipboard, and a pen, & join the fun.
