Trail Trials...!

Looking for new challenges for you and your horse? Looking for a way to establish a trusting relationship for you and your horse? Give Trail Trials a try!! This clinic is designed for those new to the sport or those who'd like to hone their skills on some pretty tough obstacles! A trail trial is approximately a 3-5 hour trail ride with 8-10 judged obstacles along the way. Obstacles can be natural landscape like creek crossings, uphills, downhills or you may find yourself riding through a picnic area full of bouncing balls and running children if the trail trial is in an urban area..

For the more advanced riders, come practice on some "Xtreme Trail Trial" obstacles....you won't find these at a trail trial but they are fair game at an Xtreme Trail Trial Challenge.

Clinic to Cover

- ◇ how obstacles are judged
- ◇ how rules apply to obstacles
- ◇ how you can improve your obstacle scores
- ◇ improving your performance with your horse as a team
 - ◇ scoring you as you negotiate the course
 - ◇ all your questions!

****Practice your new skills at the Region 1 Trail Trial in Napa Skyline Park the next day****
