*LONG'S MARIPOSA RANCH CONSERVATION AREA
Senior Judge: Joan Wilkinson*

Come join us for a day with scenic vistas and a chance to test your skills on challenging obstacles. We will offer three divisions: Novice, Intermediate & Advanced. In addition, there will be three age groups: 17 & under, 18-49, as well as 50 & above. If you are new to Trail Trials, we will also have a Schooling Division. In addition, you may also ride as a Companion Rider [no obstacles]. Note there are no Awards with the last 2 options. Sign-up at 9:00 A.M. First rider out at approximately 10:00 A.M.

This is a CSHA Sanctioned Ride. Ribbons and Prizes will be awarded. A "Release of Liability" will be required at the Ride. "Registration Forms" will be available the day of the Ride or down loaded from the web site noted below. Water will be available for your horse including several locations along the trail. Note: neither food nor drinks will be available at the event, so bring your lunch and beverage of choice.

TERRAIN: The Ride will be held in oak-studded, rolling hills on access dirt roads and cattle trails. Trail length with obstacles will be 3-4 hours. This is ***NOT*** a timed event, so you can take your time and enjoy the scenery. This is a Conservation Area; consequently, there will be natural wild life and cattle.

Rain will cancel the Ride, so pray for sun and warm temperatures. More information about the Trail Trials, as well as additional upcoming CSHA events can be found at www.trailtrials.com.
