

Who will get an invitation to the State Championship Event?

Riders who are CSHA members and have completed three trail trials on the same horse and in the same category are eligible to compete at the State Championship Event. Region Trail Trial Chairs are in the process of verifying CSHA membership now and will complete the verification by August 1. Invitations will be mailed by mid-August.

How will I know if I'm eligible?

Check the Rider Status page. Once your Region Chair verifies your CSHA membership and you complete three trail trials on the same horse and in the same category your status will be highlighted in green.

What if my membership isn't showing as verified but I am a member?

Contact your region chairman. Contact information is listed on the State Program and Region Contacts page. Regions 1,2,3,5,7,8,10,11,13,15, 17, & 18 are verified, others will be complete by August 1.

What if I won't complete my third ride until September?

Ride Managers of the September rides will get their results turned in within a few days so that those riders can be mailed their invitations. If you are in this category contact the SCE Chairman for a *conditional invitation*.
