

Hi all you Trail Trials riders,

I would like to invite you to the CSHA January Quarterly meeting, in Santa Nella. At this meeting on Saturday January 19th the Trail Trials Program will present a Ride Manager Symposium. During which we will cover the new resolutions that passed at the State Convention and how these will affect you, as a competitor, Ride manager, Judge and Senior Judge. (Please note, this does not take the place of the Judges Symposium.)

We will have information for you and for you to take back to your regions. Lets start the New Year with a positive outlook and try to get everyone on the same page.

Our program is growing, and it's largely due to all of you that bring your enthusiasm and ethics with you for the good of the whole program.

The 2008 State Committee remains the same with the exception of: our secretary will be Sue Edwards from Region 1; Danielle McCants is our new Junior Member at large. Danielle hails from Region 3, we welcome you!

There has not been a Junior Member at Large in quite some time. Region 2 has a new Region Chairman, welcome Patty Walters; Region 5 has a new Region chairman, welcome to Gayle Jones. Our 2008 SCE chairman will be Diane Medlock.

I am looking forward to seeing you at the January Quarterly meeting and on the trails in 2008.

Happy Trails

Tami Sandberg

CSHA State Trail Trials Chairman
