

Obstacle #2 Bicycle

Directions to be read by obstacle judge to competitor:

Instructions to All: Ride down the trail being aware of everything around you and keeping safe at all times. When you pass the orange cone, you have completed the obstacle.

Note to Judges: Novice: Bicycle will approach team from frontal position at a fast clip and stop before rider, who should continue riding past safely in control. Extra good if they are friendly with the bicyclist.

Intermediate/Advanced: Bicycle will approach team from frontal position at a fast clip and ride past. Rider to continue walking in control or stopping in control with safety in mind. Rider may instruct bicyclist that they should stop or slow for horses, who have the right away.
