Region 4 COVID-19 Protocol Trail Trial Events – Tillicum Meadows

We are planning to implement the best practices we can for social distancing during this event. We are as excited as the rest of you that our counties are opening up and we get to actually see each other! But we still have county guidelines we must follow and appreciate everyone following the guidelines given to us by Mariposa County. As guidelines are published from the state and county, we will adapt accordingly and update this document with changes. The most up to date steps and details will be included in your rider packets when you arrive. Please understand we are doing our best to protect everyone's health. It is up to you to participate and understand it will also be up to you to protect yourself as best as personally possible.

1. Registrations will ONLY be accepted by mail prior to the event. No registrations or payments will be accepted on site. Registration checks will be destroyed if you are unable to attend the event.
2. Registrations and checks must be mailed and received by June 7th. If you show up without being pre-registered, you will be sent home.
3. As you arrive at the event, the event manager will meet your vehicle, ensure you are on the competitor list, conduct a temperature scan and deliver your rider packet to you. Rider numbers will be disposable. Bring extra safety pins for numbers!
4. Only family members or members you usually ride with are allowed to camp together. Please make sure that horses are camped between vehicles so we have plenty of space between camps. The event manager will guide you to parking and there is plenty of space for camping and parking.
5. Ride management will provide hand washing stations around camp.
6. Ride management and Senior Judges will provide their own PPE's while setting up the obstacles and throughout the event.
7. All obstacle judges will provide their own PPEs as well as their own lunches.
8. Competitors will provide their own PPE's and must be worn when leaving their camp. In your individual camps, PPE's are not required.
9. The event will not hold any group dining. Social distancing will be enforced beyond individuals' camps and at the nightly awards gathering.
10. While on the trail, groups must stay in their designated group of 5-6. If you come upon a group ahead of you waiting for an obstacle, remain at least 18' of separation (3 horse lengths) from the group in front of you.
11. Posting of score sheets:
 - a. Obstacle judges will bring in their score sheets as usual at the end of the day.
 - b. Scores will be reviewed by the Senior Judge
 - c. Score keeper will enter scores in computer as usual
 - d. All scoresheets will be held until all scores are entered for the event.
 - e. All score sheets will be posted at one time.
 - f. Competitors will line up 6' apart to review their scores. Only one group/family member allowed in line.
 - g. A handwashing station will be set up at the beginning of the score sheet line and washing must be done before handling scoresheets.
 - h. Competitors will only get one chance to go through the line to view scores and comments. To move this through quickly, we request that competitors take a photo of their scoresheets using their phones and go back to their camp to review with their group.
 - i. A hand washing station will again be at the end of the score sheet line for competitors to wash hands again.
 - j. Once all competitors have gone through the line, the score sheets will be pulled and given to the senior judge and the 30 minute review period will begin.
 - k. Competitors with questions can line up, 6' apart, to discuss with the senior judge in specified location.
 - l. Scores will be corrected and final score sheet will be printed.
12. Port a Potties will be available at the event. A hand washing station will be outside the bathrooms. Please wash prior to entering (AND exiting) the bathrooms.

Also the choice to attend a Trail Trial is up to you. As event and ride managers, we will do our best to maintain the cleanest and safest event as possible following individual counties COVID protocols. If you feel that attending may jeopardize your health, then staying home is probably the best choice for you.
