## August 27/28, 2022

**Entries:** Pre -registration is greatly appreciated to help the ride managers be prepared for the event. On site registration will be accepted.

**Pre Registrations must be received by: August 20, 2022**  
**If you cancel, we will just destroy your check!**

**Saturday Dinner:** We have contracted with a local well known caterer for dinner on Saturday night. The meal will include: 2 carnitas tacos on king sized corn tortillas, all garnishes, Mexican rice and Mexicorn. Cost is \$18 and must be paid for in advance on the registration form.

## LOCATION DETAILS

**Location:** Goat Meadows Trailhead and Snowplay Area, Hwy 41 and Mount Raymond Road, Fish Camp, CA

This location is part of the Sierra National Forest. We have received a permit to hold our event at this location but that does not guarantee us the whole facility. We will be posting notices, along with the Forest Service, that our event will be held on our date but we can't force others out if they want to try and camp with us. Hopefully after seeing all the horses and vehicles, people will decide to go somewhere quieter.

**Temperature:** The temperature can vary, so bring multiple layers and be prepared for rain. This event will happen rain or shine. Blankets for horses may be needed especially if you are from warmer locations. **Elevation: 5062**

**Camping:** Everyone is welcome to come in starting on Thursday. Mt. Raymond Road is paved and easily traveled for all rigs. There will be numerous locations for camping, check in with the parking coordinator upon arrival for help. For the extremely large units, you may want to camp on the cement parking pad and pen your horses in the field below. You will need your own pens and there are plenty of trees for high lining. There will be porta potties available for use. Spread your manure in the bushes around your campsite.

Be prepared for wildlife. Bears are frequently seen in the area. There is a bear proof garbage can available and it is best to dump any trash you have each night so not to entice the bears to our area. The meat bees are frequent guests. Bringing pop up netted tents might make your life more comfortable when kicking back in the morning or afternoon times. If you stick to the trails and obstacles that are set up, you will minimize your exposure to meat bee nests in the ground.

**Water:** Unfortunately there is no water available at this location. At this time, you will need to bring all water for yourself and your horse. If that changes, we will notify everyone ahead of time.

**Fires: NO FIRES ALLOWED IN THE NATIONAL FOREST!** Keep smoking to inside of your trailers and dispose of your butts inside your trailers as well. Please do not be the reason another wildfire is started.

**Cellular Service:** Verizon service is pretty decent in the camping area. AT&T, not so much. You can drive into Fish Camp (2 miles) for service.

**Trails:** The trails will mostly be single track trail, mild/moderate terrain, some of it fairly rocky. Some trails are used by the local pack station and can be very dusty since they are used so much. You may want to carry face coverings for certain sections. Thursday and Friday riding will only be allowed on the forest roads, no loop trails.

**Ammenities:** The Fish Camp General Store is only 2 miles from our location. Pick up ice, sandwiches or some drinks as needed.

**Fuel:** The closest place for fuel will be Oakhurst which is 16 miles from our location. It will be best if you fuel up in Oakhurst before coming up the hill to Fish Camp. This is also the best location for stocking up on supplies as they have a couple of regular grocery stores.

**Dogs:** If you bring your dogs, **PLEASE** be courteous to others and keep them on leashes and in your own camps. Please don't make us remind you that you need to take care of your animals.

## PHOTOGRAPHER

Kitty Carlisle from Projection Photography will be our official photographer for our event. Please be sure to stop by each day to view the shots that she has taken and place your orders!
