## SCE - Horse Poem 2021

Hay on my clothes? Oh, well, So what?  
Or does my perfume smell like “eau de Peed Lot”?  
Really doesn't bother me at all.  
See, I'm horse-crazy - my heart's in a stall.  
Easy Rider” with one horsepower!

Let me lose track of the day or hour.  
Or the world outside my barn.  
Very easy, with a friend so warm.  
Every time we head out together.  
Reality sings with the creak of good leather.

Onward to heaven-on-earth we climb,  
Having ourselves a wonderful time.

You can't imagine the freedom we know  
Each time a -riding my horse and I go.  
A team, a grand duo - we fly like the breeze.  
Happy, connected. Each other we please.
